What is HSCC Doing About Homelessness?

Here's One Option!

As part of our support of the greater Bangor community, your outreach committee is involved with Moving in Faith and Hope (MiFaH). This interdenominational team is looking at a variety of issues to improve food, clothing, shelter and recovery programs for local folks. The “Fresh Start” food boxes and the tiny home project are two MiFaH projects with a bright future.

MiFaH's “Housing Action Team” has partnered with Dignity First - <https://www.dignityfirst.me/> , to work on the lack of affordable housing. A “Tiny Home” proposal is now moving slowly through local zoning, financial, legal and political challenges. If you would like to learn more about this project or possibly get involved, we would love for you to join us for an informational meeting on Saturday, March 2nd at Redeemer Lutheran Church. See the attached flyer for additional information.
